

## FENCING DEMONSTRATION DAY WITH NEVILLE PRINCE

*Jacinta Christie, Murrumbidgee Landcare*

Some people make fencing look easy and Neville Prince is no exception. In mid-May 2015, 36 land holders from Humula, Tarcutta, Batlow, Tumut and Gundagai braved the cold to attend a fencing presentation day with the legendary fencer from Waratah Fencing.

The day was organised by Murrumbidgee Landcare through the Cross Property Planning project, and was held after discussions with local land holder Peter Sykes, who was keen to see Neville locally in action before his retirement from Waratah. In preparation for the day, Peter organised an area for fencing and spent the afternoon before the workshop with Neville and local Waratah representative Richard Le Lievre.
